Dear NHS Students and Families –

It is with great honor and excitement that I introduce myself, Dr. Rom Crespo, as the new Principal at NHS. I am so excited to be a part of the Dragon Family! My passion for education and supporting the success of all students has been shaped over the past 22 years as a teacher, coach, assistant principal, and district level administrator. I plan to spend a lot of time with your children, getting to know their personalities, learning styles and interests. I will celebrate all of their successes, small and large. The NHS Faculty and I will encourage them every day and let them know they are valued and have a special place in our school community.

All of the decisions made at NHS will be based on what is best for students. This will be accomplished by ensuring we have outstanding instruction from top-notch teachers, as well as extracurricular opportunities and supports that enable students to develop character, cultivate passions, and explore the world outside of the classroom. Our students will reach heights they previously did not believe possible. We will model what it takes to succeed and how to set your goals high. I am a strong believer in never being satisfied. There is always another goal to achieve and a way to improve on previous performance. As Michelangelo said, "The greatest danger for most of us is not that our aim is too high and we miss it, but that it is too low and we reach it."

An excellent education is not possible without the great collaboration of students, parents, and staff. Over the past few weeks, I have met some of the amazing students, parents, and staff at NHS, while also learning about the rich school history and success. NHS is an integral part of the Nacogdoches community and the Nacogdoches community needs to be highly involved for NHS to succeed. I also look forward to becoming an integral part of the community and working with each of you to continue the great successes at NHS.

I am so thankful to have the opportunity to bring all that I have experienced and learned with me to this wonderful community. I look forward to getting to know you and your children. I will be working most days this summer to ensure for a smooth transition and opening in late August. We will also be setting up some Meet & Greet Days throughout the community, so be on the lookout for those announcements so I can get to know you and your children.

I am expecting a great school-year ahead of us and I look forward to meeting you soon. Have a great rest of the summer!

Sincerely,

Dr. Rom Crespo

Principal
